P. & C. UNIFORMS

Winter is making itself known. In the Clothing pool we have fleece vests ($12) and winter jackets ($20). We also have sloppy joes ($18) as well as sports shirts ($16) and ties ($16). Parents, please make sure that your child/children have a jumper available to put on at all times and please make sure it has their name on it so if it is left at school it can be returned quickly.

The Clothing Pool for used clothing and new uniforms is open each Friday from 9am to 12noon.

KATE SUMMERS, Uniform Co-ord.

KITCHEN TO GARDEN TO KITCHEN AGAIN

We have been working with Ms. Deaves. We have done sculpture with beetroot leaves by hitting the leaves with a hammer on fabric.

We have been digging up the ground and laying wooden sleepers for little fences for the garden.

We have been raking leaves and putting in wheelbarrows and using the leaves as compost. That is why we love working with Ms. Deaves in the garden.

In the kitchen we cook lots of different things for different occasions like:

* farewells
* Grandparents day, and
* morning teas.

There are loads of different ingredients that we cook with but most of our produce comes from the school garden.

We also cook tasty dishes and just recently we cooked pumpkin soup.

After we have finished we clean up and get ready for our next session.

NEWSLETTER

No. 8 Term 2 Week 7 4th June, 2015

PRINCIPAL’S MESSAGE

Dear Parents and Carers

Congratulations to all of our students for their fantastic performances at the Tamworth Eisteddfod. Their choral verse speaking items were all outstanding. The years K,1,2 and 3,4 groups both brought home second place awards and 5,6 brought back the first place trophy.

Again, 5,6 performed a poem they wrote in class with Miss Boland. This is the third year they have performed their own composition. All classes must perform 2 poems. The poems are to contrast to show the skill of the performers. Students all put a great deal of time into the preparation, as do staff at the school. Tuesday next week will see students perform their individual items. I would encourage parents who nominated their children to take part to work with children over the weekend to fine tune their performances.

Music has been very successful. I have had requests for students to take part in groups. All of these requests are forwarded to the conservatorium in Tamworth. They are then able to allocate students to a group. If groups are full, students

WHAT’S ON!

Friday, 5th June
Tennis

Tuesday, 9th June
Eisteddfod

Friday, 12th June
* Coolah X Country
* Kinder Yr 1/2 Excursion

OOSH

Open Monday to Friday

Before School Care: 7:30am to 8:30am.

After School Care: 3pm to 6:30pm.

Vacation Care: 7:30am to 6:30pm.

Bookings: required 24 hours in advance. Bookings for Vacation Care now open.

An enrolment form needs to be completed before attending.

95 Jenkins Street, Nundle. NSW 2340
Phone: 67 693253 Fax: 67 693128
Email: nundle-p.school@det.nsw.edu.au

Web Site: www.nundle-p.schools.nsw.edu.au
will be placed on a waiting list. Please be sure to pay all of your term 1 fees. It is essential that we get these in as the school pays the fees to the conservatorium then we recover the fees from parents. The school pays the weekly travel cost of the teachers to help keep prices down.

Students will be attending the regional cross country next week. We wish Brooke, Sam, Wunda and Saskia all the best of luck. I know that they have been training hard and deserve a great deal of success.

Some parents have spoken with me about bus runs. The school does not handle any of the bus runs. All bus contracts are allocated directly to the contractors through the Department of Transport. If you have questions in relation to the buses, please contact the bus company in the first instance. If you have further queries they are unable to answer, you will need to contact the Depart. of Transport Newcastle office. The number for this office is 1800 049 983.

A very successful P&C meeting was held on Monday night. Discussion about revamping the canteen was had. There were some very exciting ideas tabled. I am looking forward to hearing the outcome of the research at the next meeting.

A very successful P&C meeting was held on Monday night. Discussion about revamping the canteen was had. There were some very exciting ideas tabled. I am looking forward to hearing the outcome of the research at the next meeting.

We do now have a school counsellor attending the school 1 day per fortnight. Her name is Roslyn Long. The counsellors do offer counselling but also a great deal more. They can assist with finding health professionals, cognitive assessments and working with other agencies. If you have questions relating to your child that fall outside of the school realm, please contact the school and leave your name with Joy in the office, she will then be able to pass this information onto the counsellor who will make contact.

Our Multi Lit program, aimed at years 2-6 has been running very successfully. This program is assisting a number of students with their literacy in a very prescriptive manner. The course was developed by the Macquarie University and is intensive in its application to help students improve their literacy. Miss Boland has been coordinating the students in this course with Mrs Fitzgerald, Mrs K. Worley and Mrs Boland all working with students throughout the week on a 1 to 1 basis. Mrs N. Worley has been trained in the Mini Lit program. This program is aimed at assisting students in year 1 who need to improve their literacy. We will be assessing students next week and implementing the program shortly.

Jan Worley, Principal
Principal

AWARDS – 27th May, 2015

STUDENT OF THE WEEK
SASKIA FITZGERALD
For positive attitude

Kindergarten:
Digby Gibson—trying hard with homework
Bailey Little—trying hard with reading

SAM SCHOFIELD
For enthusiastic attitude

Kindergarten:
Jack Williams—effort in Maths
Jamie Edelbrock—effort in reading

Years 1 and 2:
David Smith—great improvement in all areas
Bryce Thompson—excellent improvement in all areas

Years 3 and 4:
Jayana Little—enthusiasm for learning
Jack Bell—leadership and enthusiasm

Years 5 and 6:
Joe Worley—excellent problem solving
Jorja Potts—attempting questions in Maths
Australian Early Development Census

Playing our part to build a national picture of child health

In early 2015, our school, along with thousands of others across the country will begin preparations for the third Australian Early Development Census (AEDC).

The AEDC measures five key areas of development in children during their first year of full-time school to build a national picture of health and wellbeing. Since 2009, the census results have helped communities, schools and governments plan services and target support for children and families.

Teachers are trained to assess each child and answer questions. Children don’t need to be present so no class time is missed, and parents/carers don’t need to supply schools with any new information for the census. Teachers’ individual assessments are then analysed by the AEDC and reported as anonymous groups of children in the final report.

> Optional information: summarise your school’s profile from the 2012 AEDC <

In the previous 2012 AEDC, our school profile indicated that …

> Optional information: ways the census results helped your school or improved community services <

We used the results to support …

In other communities across the country, census results have helped communities to plan new playgrounds and parental services; schools are seeing improved student performance through new literacy programmes; and governments are using the results as evidence to develop better policies for children.

Teachers have also noticed practical benefits in the classroom. Some said in previous years that completing the assessments made them more aware of the needs of individual children and the class as a whole. Others reported that the census results are useful in planning for transitions to school and for developing class programmes.

Participation in the AEDC is voluntary. Parents/carers don’t need to take any action unless they choose not to include their children in the census.

To find out more about the census and how communities are using the data to help children and families visit the AEDC website www.aedc.gov.au
NUNDLE PUBLIC SCHOOL P&C ASSOCIATION MEETING MINUTES
MONDAY 1 JUNE 2015 COMMENCING 7.00PM NUNDLE PUBLIC SCHOOL LIBRARY

ATTENDANCE: Ian Worley, Susi Bell, Nicola Worley, Lynn Weis, Nick Bradford, Carol Fiddes, Ashley Vesper, Kelly Jaffer, Teresa Eather
